RACKS AND
ENCLOSURES

The foundation of every broadcast system is a robust enclosure that takes into account not only the mounting of the critical electronic components, but also the management of heat and cables. Middle Atlantic has an extensive offering to meet virtually any requirement, from code compliance needs to access challenges.

GRK SERIES
RACK ENCLOSURE

Designed for narrow multi-bay systems with high density video cable bundles where horizontal or vertical lacing is desired. Up to 52RU.

GRK-48-24HLRD

SNE SERIES SECURITY
NETWORK ENCLOSURE

This purpose-built series was designed to meet the specific requirements of IP, analog and hybrid systems. Four available configurations fit your system type, wiring needs, cooling requirements and rack location.

SNE24D-4536-P1
SNE27D-4542-P1
SNE30D-4548-P1

VRK SERIES
RACK ENCLOSURE

Designed for narrow multi-bay systems with high density video cable bundles where horizontal or vertical lacing is desired and higher weight capacity and seismic certification are required.

VRK-44-31HLRD

BGR SERIES GANGABLE
RACK ENCLOSURES

Achieve 5x faster installs while maximizing usable space with the innovative mounting features from the Forward and Lever Lock™ series of products available in this 23" (58 cm) width rack.

BGR-4538

SWR SERIES
SHALLOW WALL RACKS

Acts as both a connector panel and a generous pull-box. Includes adjustable rackrail and LKO's for conduit entry on top and bottom of backpan.

SWR-12-12
SWR-16-12

SR SERIES WALL MOUNT
RACKS

Challenged by space limitations? The SR Series provides the capacity of a full size rack with the access of a wall mount enclosure.

SR-46-28
SR28-46-32

FURNITURE AND
CONSOLES

With 30+ years of major TV broadcast installations around the world, LundHalsey's market-leading technical furniture provides unrivaled broadcast studio and edit desk solutions. LundHalsey consoles are chosen by system integrators for their functionality, speed of assembly and flexibility. Consoles provide a full range of modules which can meet any requirement and easily adapt for future additions and operational changes.

LUNDHALSEY®
