Why Barco?

COMPREHENSIVE SOLUTIONS

Secure wireless presentation and conferencing technology designed for the public sector, enhancing collaboration and decision-making.

TAA COMPLIANCE

Adherence to Trade Agreements Act standards, ensuring quality and security for government procurement

ONGOING INNOVATION

Continuously integrating advanced features to boost productivity and engagement in meetings and presentations.

Partnering for Success

At Barco, we prioritize strong partnerships in the technology landscape.

Beyond products, we provide tools and resources that foster mutual growth and customer satisfaction.

Dedicated Support

Expert guidance from initial implementation to maintenance and upgrades.

Expertise & Resources

Comprehensive training programs to help public sector teams maximize our technology.

Global Network

Extensive global dealer network and robust U.S. regional coverage for product education and system insights.

Sustainable Practices

Commitment to eco-friendly solutions that support public sector environmental goals.

BARCO
