**5 YEAR
STANDARD
WARRANTY**

Optimize your Remote Communications

Gain peace of mind with Sony's new **5-Year warranty (free of charge)** with the purchase of any SRG [Remote Camera](#), [Edge Analytic Appliance](#), or [Beamforming Microphone](#). We will also be retroactively accepting invoices from 1/1/2023 for customers who made purchases at the beginning of the year.

Our Imaging & Analytics solutions are flexible, cost-effective, and easy-to-use presentation tools that can bring your meetings, lectures, and sermons to life. Our SRG remote cameras capture and stream high-quality video footage in detail-packed 4K or Full HD. They're ideal for unattended operation in hard-to-reach or unobtrusive places, with smooth, quiet panning that won't disturb your audience. Sony Edge Analytics transforms presentations with its AI-led video analytics technology and our Beamforming Microphone incorporates advanced speech reinforcement technology—enabling truly hands-free and contactless lectures and presentations.

This new warranty is effective for all eligible models purchased from January 1, 2023 and forward. The warranty period will commence from the date of invoice.
